

Dumbledore's Army: The Inside Scope

Who We Are

If you think there is magic in you, why not come along to
Dumbledore's Army – The RGU Harry Potter society!

Since 2013 Dumbledore's Army has grown leaps and bounds. From being a room of 10 people in its first year it has expanded to being one of the biggest societies RGU has to offer with over 300 people on our mailing list.

Dumbledore's Army also is RGU's current Society of the Year.

Like Hogwarts, Dumbledore's Army was founded by four individuals. Charlotte Morrison(nee Ridgen (President)), Hannah Hayton (Vice President) Sophie Dolderer(Secretary) and Ellen Laird (Treasurer) with each also representing their own house. They noticed a gap in the society line up for a wizarding community and set of to create what is now Dumbledore's Army. Back then events and meetings were held at the old RGU Union on Schoolhill which the founders remember fondly. It was the start of DA's great success and a part of our history that will never be forgotten.

Our society is dedicated to providing both fun casual evenings and also special events, and as a member you can look forward to:

- Free fortnightly meetings
- Free film showings
- Our sorting ceremony
- Harry Potter themed outings
- A Yule Ball
- Quiz Nights
- Discounted Food and Drink at our sponsored venue
- And much more.

As an official society we are supported by RGU union meaning we are in the perfect position to run the events you want, so if there is anything you would like to see we are always happy to listen to ideas!

We are required by union rules to charge £5 for membership, however this money is used to provide you with the events above, and to provide food and prizes at our events, so please don't let this put you off!

It's a great opportunity to get together with others who have similar interests, so don't be a Muggle, come along and discover the magic for yourself!

LATEST NEWS

SOMETHING AMAZING THIS WAY COMES

Since the societies inception, the want for producing our own merchandise has been high. However, with every year that passed the more unlikely it seemed; with false promises from companies to the loss of equipment being key factors this. Here at The Quibbler we can now announce that the want is now over. Launching in February 2018, each member of the society can get themselves their very own RGU:DA hoodie in their house colours.

SOCIETIES UNITE

This semester also hosts other opportunities for the DA as the committee is currently in talks with not only the Film Society to co-hose their Deathly Hallows Pt2 Movie Night but with Streetsport, the award winning initiative also founded in Robert Gordon University. Details of what activity will be hosted by both parties are still to be announced.

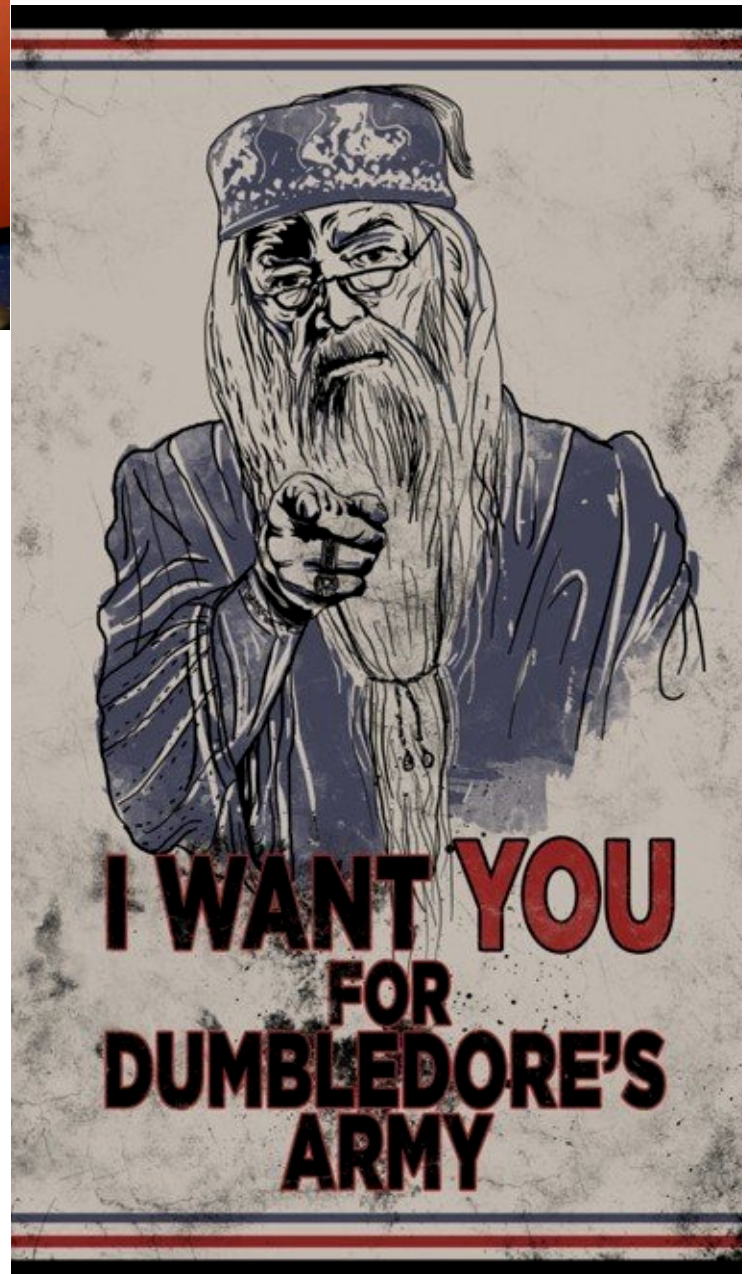

'OUR NEW CELEBRITY'

Before Christmas, our very own Slytherin head Emma Smith-Hunter graced our Facebook and Twitter feeds as the star in Irn Bru's 'Hunt for Emmacorn' campaign as part of their Christmas advert launch. The social media only campaign saw Emma fold underwear in a laundrette and eating a gluten-free scotch egg before watching the Christmas advert live on the big screen.

JOIN THE TEAM

At DA headquarters we are always looking for volunteers to take over not only committee roles but perfect roles.

These roles provide those willing to partake in them not only a inside look at the running of a society but an opportunity to promote skills on your CV. Whether its related to your studies or not any skills are appreciated. If you are interested in volunteering with us drop us an email or message us on Facebook!
